SMARTER, MORE EFFICIENT, MORE CAPABLE – JUST LIKE YOUR BUSINESS

IMAGECLASS MF525x

You know very well that what you put into your business is what you get out of it. The same applies to your print room. With the MF525x, you'll be putting in a top-of-the-range multi-function printer that works faster and more productively than any in the range. Not only can you have the very widest range of functions available to you, from seamless integration with your document management platform to the ability of your staff to print from any mobile device, you're also assured of the ability to do them faster, with greater resolution, and greater confidence. When you put everything into your business, it's good to know you're getting everything back.

Key Features

Low upkeep

- Enjoy reliable printing with minimal maintenance. The automatic seal removal mechanism makes cartridge replacement effortless.

Improved organisation

- The Application Library Function allows you to create shortcut icons to help you be more organised when it comes to scanning, copying or using form templates.

Reduced power usage

- A Sleep Mode feature minimises electricity consumption and helps reduce your carbon footprint.

BUILT-IN BUSINESS BENEFITS

A lighter touch

With an intuitive user interface that allows you to do tasks such as copying and scanning with just a tap of your finger, you're now able to do your work quicker, and with minimal effort.

Improved connectivity

Not only does the Gigabit Ethernet connection ensure fast data transfers, these versatile printers can be connected to the network via Wi-Fi or directly by cable. Being connected has never been simpler.

Greater speed

Capable of print speeds of up to 43ppm, you can now be confident that your print jobs will be delivered in good time, allowing you to focus on your next project.

More control

With Department ID you can limit print usage and save printing costs – making the MF525x as cost efficient as it is productive.

Higher print yields

Incredible print yields of up to 20,000 pages means less frequent toner replacements, and more time to focus on your core business.

Flexibility and mobility

Print directly from your mobile device, using multiple apps such as Canon PRINT Business, Apple® AirPrint®, Google Cloud Print™, Mopria® and Canon Print Service. Not only do you enjoy greater convenience, you can look forward to improved productivity and all the flexibility you could ask for.

Versatile printing options

The ability to print on small media such as A5 or even A6 provides added versatility, and is perfect for invoices, flyers, or simply to reduce the size of prints you couldn't before.
