PIXMA HOME TS6160
HIGH SPEED ALL-ROUND PRINTER

Discover the PIXMA HOME TS6160 printer - A compact and fast, home printer, scanner and copier with multiple connectivity options.

Easy to Operate
Every function is easier with the manually adjustable front panel, featuring a 3 inch touchscreen and simple interface. Print, copy, scan, and cloud functions are now all accessible from a single home screen — no need to spend time scrolling to find what you need.

Share Your Memories
Experience a completely reimagined way of sharing memories through the Message in Print application. This application will allow you to send images with pre-written text and borders, or even embed videos or maps on it.

Printing Made Easy
Print scan and copy, all from this single compact document and photo printer. Produce beautiful photographs and crisp text documents — over USB cable, Wi-Fi or via Bluetooth. Canon's inkjet print technology and the new 5 single inks bring convenience, cost savings and great-looking prints.

HIGH SPEED ALL-ROUND PRINTER

Wireless
Print with ease with PIXMA Cloud Print and other applications such as Apple AirPrint, Google Cloud Print that simply connect to mobile devices.

App Connected
Using PIXMA Cloud Link, accessed through the Canon PRINT app, you can now print from popular social network and cloud services including Facebook, Instagram, Google Drive, Dropbox, OneDrive and many more.

Message in Print
Personalise your photos further with the ability to add messages to your photos. This involves adding add, frames and other decorations to your images or videos. Available on iOS devices only, available Nov 2017.

Dual Paper Feeder
Get flexible with the way your printer receives paper — either through rear paper feeding or via front paper cassette. The paper output tray is also automatically expandable.

Quality Inks
Whether you are printing sharp text or beautiful photos, the use of Canon's FINE cartridge system produces crisp document text and high-quality images.

Borderless Prints
Print your documents and photos on a range of different paper sizes, from business card to Instagram-style images, on square sizes! You can even print borderless 4"x6" photos in approx. 17 seconds.

Auto Duplex Prints
Save time and money with the auto duplex printing function, which automatically prints on both sides of paper.

Document Removal Reminder
If you happen to leave your important documents in the flatbed scanner, this smart printer will remind you to remove your document with an alert.

Square Media
Get crafty with a variety of print sizes and showcase your images in Instagram-style square size prints.
